

Dear Pastors and Youth Leaders

Once again the season is upon us and camp is approaching rapidly. As always, camp will only be as good as our staff. Please use your discretion in this process keeping in mind, although many have a willing heart their spiritual gifts may not include surviving one hundred and forty-five hours straight with inexhaustible campers. Every year since I accepted the director's position we have idealistically pursued all-star quality staffers, this year is no different. For this reason we are placing the initial screening process on your shoulders. As the shepherd of your flock you know them best and we would like to draw on your knowledge. Please offer an application only to those people you feel are capable.

The process for counselor applications is as follows:

**\*\*New counselors and CIT's only...**

Copy and handout packets

Applicant returns packet to pastor

Pastor fills out recommendation forms

Return applications and recommendations to me ASAP

Thanking you in advance,

Mark Bruszer, Camp Director
